Questions and Answers to Help You Understand Coordination of Benefits (COB)

What is Coordination of Benefits (COB)?

COB is two or more health care companies working together to share the cost of health care expenses.

Why do we coordinate benefits?

Insurance regulations allow health care companies to coordinate benefits. These regulations allow us to keep your cost of health care coverage as low as possible by avoiding payment of more than the total charge of bills submitted. These rules identify one plan as "primary" (the company that pays first) and the other plan as "secondary" (the company that pays second.)

Who do I submit my bill(s) to first?

- If the patient is our Subscriber, submit to us first and the other plan second.
- If the patient is the spouse of our Subscriber, submit to the other plan first and to us second.
- If the patient is a dependent child, submit to the plan of the parent whose birthday falls **earliest in the year**. Example: mother's birth date is May 5th and father's birth date is November 9, submit to the **mother's** plan first.
- If the parents of the patient are divorced or legally separated, submit first to the plan of the parent with financial responsibility for health care coverage according to the divorce decree. If not stated in the divorce decree, submit bill(s) in the following order:
 - A. To the plan of the parent with custody;
 - B. To the plan of the spouse of the parent with custody;
 - C. To the plan of the natural parent without custody; or
 - D. To the plan of the spouse of the parent without custody.
- If you have two coverages with us, submit each bill with both Subscriber and Group identification numbers.
- ◆ If Medicare is your primary carrier, submit your bill(s) to us with a copy of the Medicare Explanation of Benefits.
- If you are the Subscriber of more than one health care coverage, the coverage which has been effective the longest is primary. Submit your bill(s) to that carrier first.
- Retiree Plans may require any non-retiree coverage to be primary.

How do we coordinate benefits?

- ♦ When we receive your bill(s), we determine which health care company will process your bill(s) first.
- If you submit your bill(s) with a copy of your other health care company's denial or an Explanation of Benefits, we will use this information to process your bill(s) promptly.
- If we do not receive this information with your bill(s), we contact your other health care company to obtain the information needed to process your bill(s). We always call those companies that coordinate over the telephone. This enables us to process your bill(s) promptly.

When do I receive an "Other Coverage Questionnaire"?

- When we have conflicting, incomplete or outdated information, you will receive a questionnaire.
- When your other coverage cancels, we need new coverage information.

IMPORTANT REMINDERS

- When we request COB information, please return the form by the date indicated to assure prompt processing of your bill(s).
- ♦ Always keep your health care providers (doctor, dentist, etc.) updated with your correct health care coverage information.
