From LifeWise Health Plan of Washington

March 03, 2016

CellNetix Pathology PLLC and CellNetix Labs LLC Join Select LifeWise Networks* Effective Feb. 15, 2016

As you may recall, CellNetix Pathology PLLC and CellNetix Labs LLC (CellNetix) left LifeWise's Washington networks on Jan. 17, 2015. We are pleased to announce that we have reached an agreement with CellNetix on issues of affordability and sustainability in the delivery of high-quality healthcare.

As a result, CellNetix is rejoining the LifeWise networks listed below, effective Feb. 15, 2016.

This means that members in these networks will, in most cases, experience lower out-of-pocket costs when they receive services from CellNetix on or after Feb. 15, 2016.

What does this mean for LifeWise members? This means that members in these networks* will, in most cases, experience lower out-of-pocket costs when they receive services from CellNetix on or after Feb. 15, 2016.

As healthcare costs continue to rise, the ability of health plans and healthcare providers to work together is essential to providing affordable and high-quality care in our communities. Affordability and access go hand-in-hand and this agreement demonstrates our shared commitment to managing both the healthcare and financial needs of our members.

If you have questions about this notification, contact Physician and Provider Relations at 877-342-5258, option 4.

**CellNetix is joining these LifeWise networks: LifeWise Preferred and LifeWise Connect.*
