

Immunizations made EASY

You can go to any in-network pharmacy to get a seasonal flu, adult shingles or pneumococcal vaccine.

Since pharmacies usually have extended or weekend hours, you can be immunized when it best fits your busy schedule.

Want more convenience?

Most members will experience little to no out-of-pocket costs when getting immunized at an in-network pharmacy. Just show your LifeWise member card to the pharmacist, and he or she will let you know what you'll have to pay.*

Immunizations are essential because they protect you by building your immune system to fight against a variety of serious diseases.**

To learn more about your preventive care benefits, log in to the member website on lifewisewa.com or call Customer Service at 800-592-6804.

* Some plans may require you to pay the full amount at the pharmacy and submit a medical claim form to be reimbursed.

** Call your pharmacy first to see if there are specific age or health-condition related limits for immunizations.
