Welcome to....

LifeWise Health Plan of Washington, Lifewise Connect Network Provider Directory

The directory on the following pages is a reference tool for use by producers and employers that includes all hospitals, physicians, specialists, and other healthcare providers in the LifeWise Health Plan of Washington, Lifewise Connect Network Provider Directory as of February 1, 2014.

Note: this tool is a static directory that is only updated on a quarterly basis. As such, it may not accurately reflect the network participation status of all providers. For the most current information available, members should visit our online Find a Doctor tool at premera.com or call Customer Service at the phone number located on their ID card **BEFORE** scheduling an appointment with a provider in this directory to confirm that the provider still participates in our network.

This directory is not a contract. Members' healthcare plans may not cover all provider services listed in this directory. To learn more about their coverage, they should refer to their benefit booklets or call Customer Service. If you have any questions or concerns, you may contact Customer Service at 1-800-592-6804, 8 a.m. to 5 p.m. (Pacific Time), Monday through Friday. TTY/TDD users should call 1-800-842-5357.
