### QUICK FACTS

- ✓ The LifeWise Primary network has 30,000+ providers.
- ✓ Key hospital systems include Swedish, Providence, and CHI Franciscan.
- ✓ Emergency care is paid at the in-network level. This means members can receive in-network emergency care from any hospital.
- ✓ Out-of-network hospitals cannot balance bill patients for emergency services.
- ✓ The LifeWise Primary network includes urgent care centers. For members who need timely but non-emergent care, they can take advantage of the value and convenience of using an in-network urgent care center.
- ✓ Virtual care is a convenient option for a video or phone consultation—without having to leave your home or work.
