

# LifeWise Primary network overview

## KEY FACTS

- The LifeWise Primary network has 30,000+ providers.
- Access to a wide range of in-network specialists, alternative care providers, and behavioral and mental health professionals.
- Key hospital systems include Swedish, Providence, and PeaceHealth.
- Emergency care is paid at the in-network level. Members can receive in-network emergency care from any hospital.
- Out-of-network hospitals cannot balance bill patients for emergency services.
- The LifeWise Primary network includes urgent care centers. When members need timely care, they can visit an in-network urgent care instead of the ER.
- Virtual visits are a convenient option for everyday, urgent, and mental health care.
- Members have exclusive access to primary care at Kinwell clinics. Find out more at [kinwellhealth.com](https://kinwellhealth.com).
